

BOYS WILL BE BOYS

SYNOPSIS

With difficulty Matt (James Williams) and Robbie Clausewell (Drew Winget) convince their parents, Emily (Julie Hagerty) and Lloyd (Randy Travis) that they are old enough to be left home alone during Lloyd's company barbeque. Just how much trouble could they possibly get into?

But within minutes of their parents leaving, Matt and Robbie have declared all-out war on each other. Tearing the sitting room to shreds with an ice cream fight, soaking the kitchen with water pistols and selling off the contents of the garage takes most of their morning and the house is all but demolished by our two heroes.

Meanwhile at the company barbeque, Lloyd is waiting to hear if he got his promotion. Unfortunately Skip (Mike Deluise), Lloyd's younger arch enemy, wants the promotion for himself and decides on a plan to trap Lloyd by planting a suitcase of stolen money.

Now Matt and Robbie have to defeat Skip's plans, make peace with each other, beat the class bully and restore the house to normal before their parents get home.

Don't forget, boys will be boys!
